It is with great pleasure that I write this letter of appreciation. On behalf of the DC Fire / Emergency Medical Services Department , I would like to extend my appreciation and thank Firefighter/Paramedic Ricardo Bell for rendering prompt, efficient, and quality emergency medical care during his patient care.

The letter serves as a job well done to the care provider Firefighter/Paramedic Ricardo Bell on the date of March 20 , 2007. Medic #10 received a call via 911 dispatcher as a request from the 1st responders BLS (Engine Company #10) to 19th street N.E. and Benning Rd N.E. for a 82 year old male, who was found in his vehicle unresponsive. The patient was placed outside the car and Engine Company #10 palpated a carotid pulse (none). CPR began by the 1st responders.

Firefighter/Paramedic Ricardo Bell and his crewmembers (Paramedics & Firefighters) performed CPR to the patient on the scene. Mr. Ricardo Bell's actions on the scene were in a professional manner. He helped interview family members for pertinent information. Firefighter Paramedic Ricardo Bell pushed the appropriate drug therapy to sustain life. The patient heart beat was restored after several cardiac shocks and field medications.
